Cindy Nolte

After being asked for years by her clients and friends how she always seemed to remain at peace regardless of what was happening around her, Cindy Nolte was motivated to write her best-selling book, ***Finding Peace in an Out of Control World: A How-to Book on Being at Peace Regardless of What Life Throws Your Way***. Only months after her book was published, she was tested to apply her principles when her husband was diagnosed with lung cancer.

Stressing balance as a key factor in wellness, Cindy insists it is also paramount in productivity in the work place. She combines her 20 years of experience in training and development with her extensive studies in mindfulness to offer a unique approach to solving today's organizational obstacles and to deliver uplifting keynote speeches.

Cindy is the author of ***Finding Peace in an Out of Control World: A How-to Book on Being at Peace Regardless of What Life Throws Your Way***, which was #1 on the Amazon.com Best Sellers List for Hot New Releases and #2 on the Amazon.com Best Sellers List for Stress Management.

Cindy is passionate about helping others. She has hosted and participated in a number of charity events. Nolte is also an active member of SARA, a charity dedicated to bringing Reiki to shelter animals.

Viewers can see her weekly on her cable television show, Fresh Look on Life TV~taking alternative mainstream. In her downtime, she is an avid long-distance runner and triathlete.

Nolte currently lives in New Jersey with her husband and two rescue pups.
